

Eco-Clin Hand NR GENTLE CLEANSING LOTION

Eco-Clin Hand NR is a gentle, pH neutral cleansing hand wash. The product is pink coloured and has a pleasant floral smell which helps to improve compliance of hand washings. It is recommended for all application areas where frequent hand wash procedures are needed.

Dispensed through our new **Ecolab Bulk Dispenser** the product is extremely cost effective. The modern design and the technology of the dispenser guarantee an exact dosing of 1.0 ml per push. The huge volume of the 1.8 l reservoir volume prevents permanent refills. Due to the transparent cover product content is visible at all time.

Application: For mild and gentle hand and skin cleansing e.g. for public washrooms, hotels, restaurants, offices, building cleaning.

- **Clean** - Mild perfumed washing lotion for hand and skin.
- **Safe** - Maintains the skin's natural pH value.
- **Efficient** - Controlled dosage via Ecolab dispenser.
