

Stain Ex 3

STAIN REMOVER FOR RUST

- ▲ strong against stains
- ▲ protects your textiles
- ▲ ready to use
- ▲ easy to apply
- ▲ reduces costs

APPLICATION

Stain removal system for local application. For the professional launderer.

DIRECTIONS FOR USE

1. Check fabric compatibility on a hidden section of the textile (e.g. inner seam).
2. Moisten the area by applying Stain Ex directly onto the stain
3. Allow Stain Ex 5-10 minutes to soak into the fabric. Important - Do not allow to dry.
4. Wash the textiles.
